Re: PANTON, Robert (A031 257 320) Request for Deferred Action

Dear Ms. Rashid,

I have received and reviewed the request for deferred action submitted by your colleague, Lhesly Fernandez. I have carefully reviewed your client's immigration and criminal history. In addition, I have carefully considered the assertions made in your colleague's request for deferred action, specifically Mr. Panton's equities, contributions to the community and medical concerns.

Upon review of all the aggravating and mitigating factors, I have determined that there is no compelling reason to warrant a favorable exercise of discretion. Your request for Deferred Action is therefore, denied. Please be advised that there is no administrative appeal from this decision.

If you have any questions, please contact Deportation Officer R. Medina at 212-436-9324.

Sincerely,
